# AMPSHARE ADVANTAGES AT A GLANCE

## EXPANDED COMPATIBILITY

AMPSHare™ batteries and chargers are compatible with Bosch 18V power tools and with cordless products part of the multi-brand AMPSHare™ Alliance.

## LEADING BATTERY & CHARGER TECHNOLOGY

AMPSHare™ battery portfolio delivers power for a wide range of applications, from standard to heavy-duty jobs. Within AMPSHare™, batteries with CORE18V® technology offer a high-performance record, heat management technology, and an optimal power-to-weight ratio to power the toughest work. To keep power-ready, AMPSHare™ offers both fast and faster charging solutions.

## PROFESSIONAL EXPERTISE

All members of the AMPSHare™ Alliance are leading expert brands in their field committed to meeting the highest demands of trade and industry.

## SAVINGS WITH ONE SYSTEM

AMPSHare™ alleviates the need to invest in multiple battery platforms by offering compatibility with different brands and their cordless tools.

## EASIER BATTERY MANAGEMENT

AMPSHare™ reduces the clutter and complexity of managing and working with multiple battery and charger solutions.

## A GROWING NETWORK

AMPSHare™ batteries today will be compatible with even more tools from even more brands in the future.

### LEADING TECHNOLOGY

The AMPSHare 18V batteries deliver extreme power and a very long service life.

### ELECTRONIC CELL PROTECTION

Reliably protects the battery from overload, overheating and total discharge.

### COMPLETE FLEXIBILITY

Use the same battery for the new cordless MULTIMASTER AS with AMPSHare interface and for all 18V cordless devices with AMPSHare or Bosch Professional 18V battery interface.

### COOLPACK 2.0 TECHNOLOGY

Delivers 135% longer battery life and therefore makes longer operating times possible.

\*Accessories shown are optional and not included in some kit configurations.
